RASHVILLE, TENR.

BY TELEGRAPH

Northern News-Tue Burnside Figet. RICHMOND, Jan. 31.—Late New York papers have been received at Norfolk by a flag of truce. Gen. Burnside, in an official report to the Navy Depart ment at Washington, says he reached Hatteras after a foggy and stormy passage. Most of the smaller of the gale came on.

Destruction of a Portion of the Burnside The propellor City of New York, loaded with powder and riffed bombs was wrecked.

The steamer Louisiana is ashore. The gunboat Zouave, loaded with seventeen hun dred rifles, three hundred boxes powder, thirty boxes revolvers, grape shot, and loaded bombs, the New Brunswick, with the fourth Maine regiment : the Pocahontas, with the Rhods Island battery; the Eastern Queen, and between thirty and forty vessels are missing, and have been probably lost. - The Position of the Ficet.

Burnside has the largest portion of his fleet in side the bar at Hatterss, swaiting reinforcements Col. Allen, of New Jersey, a surgeon and two others were drowned. Efforts are being made to secure the cargo of the propeller City of New York. Speculations in New York

In New York great fears are entertained for the fate of the Burnside fleet. The report of the probable loss of a portion of the fleet causes much speculation among capitalists in regard to the mount that has been fruitlessly expended in this and other expeditions. The ship merchants are greatly pleased at the

Thompson CHICAGO, Jan. 28 -A dispatch from Cairo reports numps, chimney, fire front, and in short, every- that an expedition had left Bird's Point to attack Jeff. Thompson. It was also reported after the fight that Thompson had been taken prisoner.

Federal Reports. RICHMOND, Jan. 31 .- Reports prevailed at Washthirty Texans were killed. The Federal loss is not stated.

Blovements of Stone Wall Jackson; Stone Wall Jackson is reported concentrating at Charleston, Va. It is thought he will immediately move down nearer to Harper's Ferry. ... Meports not Confirmed.

Neither the Government nor the news sgent has received any intelligence about a battle at Bowling | cloves Green, except a panic report about such a battle having occurred at that point, which is contained in the Northern papers. The Government has received no official confirmation of the battle at James' Island, near Apaia-

chicola, Florida. Affairs about Savaunah. Augusta, Ga., Jan. 30 - The Savannah Republican of this morning says all was quiet yesterday in that vicinity. A fleet of steamers went down and returned after strengthening the obstructions in the river, without being the vestels had been drawn off from the position they occupied the day previous. Seventeen Federal vessels were were seen in the sound yesterday, and heavy firing was heard there.

the cause of which is unknown. Augusta, Ga., Jan. 31 - The Savannah Republican of this morning says the steamer Lecaburg went down to Fort Pulaski yesterday and returned safe. Three shots were fired at her from Tybee, all of which fell short.

Fight near Apalachicola .- The Confederates Victorious. The Savannah Republican has a private letter I am, by authority, raising a regiment for THE from Bainbridge, Ga., dated the 27th, the writer of wan. It is to be hoped that the struggle will be which says it is reported a fight occurred at James' short, but whether long or short it is now evident Island, near Apalachicola, Fla., in which sixty Federals were killed, thirty-five prisoners taken, that the people of the South have to fight it through and the enemy totally routed. Our loss is thirteen.

New ORLEANS, Jan. 31 -- It is reported that a French Man-of-War is coming up the river. Com. Hollins has dispatched to that effect.

The Battle at Middle Creek.

From the Louisville Courier, Jan. 31, We are permitted to make the following extracts from General Humphrey Marshall's report of the me by letter or telegraph, or apply in parson at battle of Middle Creek : "My loss in the action of the 10th inst. is accuately stated at ten killed and thirteen wounded.

officers of my command, who had an opportunity to see them dead, at over two hundred killed and more than that wounded. The firing was kept up, with some intervals, for about four hours, and was occasionally very sherp and spirited. My troops behaved remarkably well; had decided advantage n the situation and maintained it throughout the lay. The enemy came into the valley of main Middle Creek below the mouth of the left fork of low and my left wing above the mouth. The enemy did not move me from any one po i dee. 20, 1 m. | tion I assumed, and at night fall withdrew from the

field, leaving me just where I was in the morning. After he had withdrawn, I called my troops down from the hills and pursued the march which I was executing when the enemy came in sight. He came to attack and did attack, and his force was far superior to mine. He disnot move me from a single position I chose to occupy. At the close of the day each man of mine was just where he had been posted in the morning. So came to attack, yet came so cautiously that my left wing never and the above and he are also appearance up sufficiently to the case of the control of the morning. The came to attack and he are also are superior to mine was just where he had been posted in the morning. The came to attack and he are also are a same to attack and did attack, and his force was fired a shot, and he never came up sufficiently to ngage my centre or my left wing. His force was fired apon by the 12 pound howitzer, and at once regiment to cross over the creek and "to make the work short and decisive, which is the country of the cessary," but before the Virginia 54th could cl mb one side of the hill, the enomy had entirely with drawn from the scene of action, leaving my force in full and quiet possession. He withdrew from the scene of action, leaving my force in full and quiet possession. He withdrew from the scene of action, leaving on the six per cent per annum, until so re-converted and thus considered the six per cent per annum, until so re-converted and thus considered the pleasure of the six per cent per annum, until so re-converted and thus considered the pleasure of the six per cent per annum, until so re-converted and thus considered the pleasure of the six per cent per annum, until so re-converted at the pleasure of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted and thus considered the six per cent per annum, until so re-converted and thus considered the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so re-converted at the rate of the six per cent per annum, until so sight and did not then dispute the ground on which and Difficult Manstruction, and all Diseases caused by devicting from the path of Nature, and indulging in Solf-Pollution. officer and soldier in my entire command, without one exception, then understood that the enemy had By the use of this "Ours" all improper discharges are remov-ed, the weakened organs of generation ares resulty cured, and the repulse was final.
